What accountants say about **SCANWORX**

"...I was particularly impressed with how **SCAN WORX** tailored the training for our own individual needs. Since having the system installed we have had very few problems. However when we have needed support, **SCAN WORX** have delivered a quick and friendly service..."

Philip Tostevin
**Hardcastle Burton
Accountants**

"...Due to the installation being such a success, we have experienced virtually no problems with the system. When we have needed to seek support from **SCAN WORX**, the responses have always been prompt and very helpful. The solution from **SCAN WORX** has certainly been a benefit to our practice..."

Michael Emery
**Michael J. Emery & Co
Chartered Accountants**

"...Our initial forays into using the system were accompanied by friendly and confident help from their support team. In essence, they have provided a simple, powerful and excellent value-for-money solution, coupled with a very proactive service..."
